

Don't Laugh At Me

Genio

Dont laugh at meDont laugh at me
cause Im so beautiful
dont laugh at me
cause Im so masculine
* dont laugh at me
cause everyone loves me
everyone looks at me
with bright shining eyesDont laugh at me
then I feel so insecure
dont laugh at me
cause it makes me feel like a fool
* dont laugh at me
cause I vanish into a nobody
you dont really know
how great I can beDont laugh at me
cause Im so incredible sexy
dont laugh at me
cause Im the one to love
* dont laugh at me
cause all you need is me
I love me
thats the way I am
