

Bohag Mathu

Dr. Bhupen Hazarika

Bohag mathu eti ritu nohoi
Nohoi bohag eti maah
Axomiya jaatir e aayukh rekha
Gonojyonor e xakh

Bohag mathu bihu toli nohoi
Nohoi e nikha phoola phool
Bohagei aani diye xomodol goti
Neusi jaati kul
E probhedok kore hi nakh

Bohag eti mathu mathu nohoi
Nohoi e kulire maat
Bohag eti nobo nobo sintar
Xasi paat uthire paat
E ujolai jiwon aakash

Bohag mathu bihu geet nohoi
Einai binai gua
Bohag ekhoni shristi dolil
Surjor jotit pua
Bohagei endharor trakh

Bohagot jaati eh snan kore
Molion bostro xolai
Xongrami jiwonotu rono prerona
Diye bordoi silai
Uphorai dukh nag pak
