Master Celebrator

No Fun at All

Bow your head and fold your hands
Master celebrator
No one gets a second chance
Master, masterRaise your voice and start to speak
Master celebrator
Climb the mountain to it's peak
Master celebratorBut I don't know, I don't know, who knows?
No one, no one seems to do any better
When they cross the borderNo one, no one seems to do any better
When they cross the border line
Well, I'm fineRaise your head and say the word
Master celebrator
Find a way to fool the herd
Master, masterFill their heads with empty phrases
Master celebrator
Look into their hollow faces
Master celebratorLooking back through the years
What history tells us
