

# Back to Love

Sonna Rele

I gotta leave  
And you need your time to breathe  
You've given me this  
I've given you all that I have  
I look at you  
And you look like you're done with me  
Has it come to this?  
From being the best that we've had It used to be "forever in the sunshine"  
Now it's who gets the last line  
And we're running out of time  
Can somebody call the referee?  
I don't want to fight no more  
I'm waving this flag at you  
I'm over this war with you  
Let's get back to love, get back to love  
I don't want to fight no more  
I'm waving this flag at you  
I'm over this war with you  
Let's get back to love, get back to love Let's get back to love... You tell me things will be different  
Then we fall for that lie in an instant  
Full of tears, we're not water resistant  
How can we be so close but so distant?  
I don't want to fight no more  
I'm waving this flag at you  
I'm over this war with you  
Let's get back to love, get back to love  
I don't want to fight no more  
I'm waving this flag at you  
I'm over this war with you  
Let's get back to love, get back to love Let's get back to love...
