

Peepshow

The D4

She's gotta job downtown
Now she won't come home
She doesn't need me
She says that she won't see me
Well I can watch her so I'm standing at the back of the line
To see her body at two minutes at a time I'll tell you now man well it ain't easy
She's never coming home
I spent my nights alone Down at the peepshow!
My baby's dancing tonight
Just down at the peepshow!
She'll be shaking for some other guy I'm one of many
She's all I've got
Well I take my money
And push it in the slot
When she starts moving then I don't feel so alone
I can almost imagine
That were back at home! I'll tell you now man now it ain't easy
Always trying to catch and run
She won't come home
Oh No she won't come home! She's shaking that ass!
Shaking that ass!
She's shaking that ass!
Shaking that ass!
She's shaking that ass!
Shaking that ass! Down at the peepshow!
(I wanna see you baby shaking that ass)
My baby's dancing tonight
(I wanna see you baby shaking that ass)
Just down at the peepshow! [x2]
(I wanna see you baby shaking that ass)
She'll be shaking for some other guy
(I wanna see you baby shaking that ass)
