

# Where Do I Fit

## Tonic

Where do I fit inside of it?  
Where do I stand? What is the plan?  
I long to see the sympathy  
That lives inside of you  
I want to be more simple, oh  
But what is the plan for all of this?  
Where do I crawl? Where is the wall?  
I long to see the sympathy  
That lives inside of you  
  
I want to be more simple, oh  
Long night's strain  
Teach us change from fear  
I live to see the sympathy  
That lives inside of you  
I long to be more simple, oh  
What is the plan inside of here?
