

# Gold in the Air of Summer

## Kings of Convenience

Without giving anything away  
I can say it's by the sea  
It's a house that used to be  
The home of a friend of mine  
Without giving anything away  
You'll find ships inside of bottles  
And the garden's overgrown  
The house is white but the paint is coming off I didn't know if you wanted to  
When I came to pick you up  
You didn't even hesitate  
And now you and me are on our way  
I think I've brought everything we need  
Don't look back, don't think of the  
Other places you should have been  
It's a good thing that you came along with me Gold in the air of summer  
You'll shine like gold in the air of summer  
You'll shine like gold in the air of summer  
You'll shine like gold in the air of summer
