

# Hard to Handle

## Ray Boudreaux

Hey there, here I am  
I'm the man on the scene  
I can give you what you want  
But you got to come home with me

I forgot some good old lovin'  
And I got some more in store  
When I get to throw it on you  
You got to come back for more

Toys and things that come by the dozen  
That ain't nothin' but drug store lovin'  
Hey little thing, let me light your candle  
'Cause mama I'm sure hard to handle, now, yessir'am

Action speaks louder than words  
And I'm a man of great experience  
I know you got another man  
But I can love you better than him

Take my hand, don't be afraid  
I wanna prove every word I say  
I'm advertisin' love for free  
So, you can place your ad with me

Once it come along a dime by the dozen  
That ain't nothin' but ten cent lovin'  
Hey little thing, let me light your candle  
'Cause mama I'm sure hard to handle, now, yessir'am

Baby, here I am  
The man on your scene  
I can give you what you want  
But you got to come home with me

I forgot some good old lovin'  
And I got some more in store  
When I get to throw it on you  
You got to come runnin' back for more

Once it come along a dime by the dozen  
That ain't nothin' but drug store lovin'  
Hey little thing, let me light your candle  
'Cause mama I'm sure hard to handle, now, yessir'am
