Pata Pata

El General

Sometimes I sit down and wonder, what?
What the people really want?
They need a new sound,
a new dimention, (yeah)
the latin flavor, (yeah)
come on mami&
come on mami&
come on mami&
come on mami&
Chorus
Sacutunda sachipega, dancing pata pata
sacutunda sachipega, dancing pata pata
sacutunda sachipega, dancing pata pata
sacutunda sachipega&dancing
Pata pata was the sound that made the people stand,
that's why I come to bring it to my generation:
make some stand,
make some dance,
and some of them slam.
Yes& the pata pata come to run the nation.
(Bridge repeat twice)
Mama ehh ahh mama ehh ahh ma&
Mama ehh ahh mama ehh ahh ma&
I want you to jump
I want you to jump
I want you to jump and dance
Chorus
I don't think their's anybody who doesn't love to pata
pata
I want you to bend your back and then I bend my knees.
We do the pata pata we just rock it steady
we glue on together like the bee's to honey.
