# Ladidi Ladida

## I5

I wanna see you come
Ladidi ladida
I wanna see you come
Before I give you some
Oh, oh, oh, oh
Here we goBaby, you can touch my
If I can get a taste of your
But you only seem
To care for money
And I don't wanna
Wait a minute more
(Can't buy my love)If you don't give it up
I swear I'm gonna stop it
'Cuz I'm never gonna
Spend it on youI wanna see you
Come into my life
Before I give you some
Ladidi ladidaI wanna see you
Come into my life
Before I give you some
Oh, oh, ohOh, oh, oh, oh
Ladidi ladida
Oh, oh, oh, oh
Ladidi ladidaBaby, you can drive my
Maybe I could ride your
If you're messingYou'll become my ex
We ain't never gonna have no
(Don't play around)If you don't give it up
I swear I'm gonna stop it
'Cuz I'm never gonna
Spend it on youI wanna see you
