Tijerina

Calla

I think I'm coming back home
It's safer if I stay close to homeIf I could
If I only couldI would give everything
You know I would, if I only couldIt's all enough to suffocate me
Irritate and separate meIt's all enough, but not enough for me
It's all enough, but not enough for me
It's all enough, but not enough for meI'm sorry for the inconvenience
It's only 'cause I'm losing patience
Call me over, Sophia
When it's over, hurry up
