## Calla

I think I'm coming back home  
It's safer if I stay close to home If I could  
If I only could I would give everything  
You know I would, if I only could It's all enough to suffocate me  
Irritate and separate me It's all enough, but not enough for me  
It's all enough, but not enough for me  
It's all enough, but not enough for me I'm sorry for the inconvenience  
It's only 'cause I'm losing patience  
Call me over, Sophia  
When it's over, hurry up
