Second Thoughts

Up Front

I will try the best I can
but sometimes my best is not enough
I'm always looking back
at the things that I can change
everyone makes mistakes
it's a known fact of life
what's done is done, it's in the past
and nothing can be changednever again - no more second thoughts
so now... as I look back
on everything that's passed
I've seen the good that's come
out of all the things I've done
never, ever again
will I dwell on what has passed
now I know inside I'm strong
and I won't be led astray
