Hey Michel how's life are you ok  
I wonder if you ever think of me  
It's been 9years since that kiss  
I can help but reminisce  
Hey Michel do you remember  
We walked the street to tha beat  
Hand in hand you and me  
Smiling faces so in love  
Hoping that they all could see  
That we belonged together you and me against the world  
But we found out the hard way cause it wasn't meant to bz  
Now it's you and her I see  
You were my first and worst love  
And so it only could go wrongBut ain't that just the way you learn  
Hey Michel I just wanted to let you know

That someone else has stolen my heart  
And now another girl has caught your eye  
That doesn't mean I don't think of you  
I am just hoping that she'll treat you right  
Do you remember  
How we walked the street to the beat  
Hand in hand you and me  
Smiling faces so in love  
Hoping that they all could see  
That we belonhed together you and me against the world  
But we found out the hard way cause it wasn't meant to be  
Now it is you and her I see  
It was just a silly dream  
Hey Michel do you remember
