

# I Wanna Have Some Fun

Samantha Fox

Hello, its me again  
Dont you know its hard to keep a good woman down  
But then again, maybe that could be fun  
Sa-Sa-Samantha Fox Aint it funny how when I say lets go out  
Youre always saying someone else will get me  
Whats a girl to do, I like to have fun too  
But youre so jealous, you never let me So how come you can leave but when it comes to me  
Always something I must prove  
You know I love you, always thinking of you  
But tonight Ive got to make that move I wanna have some fun  
Move my body all night long  
I wanna have some fun  
Move my body all night long Working 9 to 5 each and every day  
What your momma used to say, all work, no play  
I know what to do, I think Ill call my crew  
Of course, I love you but naughty girls need fun too Could it be that I make you feel guilty why  
Is there something I cant see, no  
I just dont buy it, so dont even try it  
Ive got to go in the place to be I wanna have some fun  
Move my body all night long  
Working hard every day  
So I aint staying home no way I need it  
I want it  
Got to  
Flaunt it Im not a prisoner, cant you see  
Unlock the door so I can breathe  
Whenever it comes to you my dear, I say stay with me  
But you still go, so now I learn, its my turn I want you to stay here with me  
You can have fun with me, with you?  
Yeah, with me  
Come on, I can have loads of fun without you, without me?  
Yeah
