Dreamlover

DJ MAKIDAI feat. é•’å±±ãƒ†ãƒ«ãƒž

Ooh
Tu tu ru tu tu tu tu ooh, baby
(Yea, baby)
Tu tu ru tu tu tu tu ooh, baby
(Oh yea)I need a lover to give me
The kind of love that will last always
I need somebody uplifting
To take me away, babe
Oh yea, yeaI want a lover who knows me, yea
(Ooh, baby)
Who understands how I feel inside
Someone to comfort and hold me
Through the long, lonely nights
Till the dawn
Why don't you take me away?Dreamlover come rescue me
(Baby)
Take me up, take me down
Take me anywhere you want to baby now
I need you so desperately
(Hmm)
Won't you please, come around
'Cause I wanna share forever with you baby
(Tu tu ru tu tu tu tu, oooh)
With you baby, heyI don't want another pretender, na
To disillusion me one more time
Whisperin' words are forever
Playin' with my mind
No, no, no, no, no, no babyI need someone to hold on to
(Ooh, baby)
The kind of love that won't fly away
I just want someone to belong to
Everyday
Of my life
Always
So come and take me awayDreamlover come rescue me
(Yea, ohh babe)
Take me up take me down
Take me anywhere you want to baby now
I need you so desperately

(I need you so desperately)
Won't you please come around
'Cause I wanna share forever with you baby
(Share, with you, yeah)
(Tu tu ru tu tu tu tu)
Baby, ooh, ohh yea
(Tu tu ru tu tu tu tu ooh, yea yea)
(Tu tu ru tu tu tu tu)
Baby come and take me(Away, yea)
Dreamlover come rescue me
Take me up, take me down
Take me anywhere you want to baby now
(Ooh, ohh anywhere)
I need you so desperately
(Ooh, I need you baby)
Won't you please, come around
(Won't you please, please)
'Cause I wanna share forever with you baby
(Yea, yea, yea)
(Tu turutu tu ohh, ohh ohh)
(Tu turutu tu ohh, ohh ohh)(I need you so, I need you so)
Dreamlover come rescue me
Take me up, take me down
(Take me up, ooh)
Take me anywhere you want to baby now
I need you so desperately
(Come on baby)
Won't you please, come around
'Cause I wanna share forever with you baby
