

# I Finally Found Someone

Lorrie Morgan & Sammy Kershaw

I finally found someone  
That knocks me off my feet  
I finally found the one  
That makes me feel complete  
It started over coffee  
We started out as friends  
It's funny how from simple things  
The best things begin This time it's different  
it's all because of you  
It's better than it's ever been  
'Cause we can talk it though  
My favorite line was  
"Can I call you sometime"  
It's all you had to say  
To take my breath away  
This is it, oh I finally found someone  
Someone to share my life  
I finally found the one  
To be with every night  
'Cause whatever I do  
It's just got to be you  
My life has just begun I finally found someone Did I keep you waiting? I didn't mind  
I apologize, baby that's fine  
I would wait forever just to know you were mine You know I love your hair  
Are you sure it looks right?  
I love what you wear  
Isn't it too tight?  
You're exceptional  
I can't wait for the rest of my life  
This is it, oh I finally found someone  
Someone to share my life  
I finally found the one  
To be with every night  
'Cause whatever I do  
It's just got to be you  
My life has just begun  
I finally found someone  
And whatever I do  
It's just got to be you

My life has just begun  
I finally found someone
