

Blue Smiley's Plan

Pyogenesis

[Music: R. Schnsee & W. Maier / Lyrics: Flo V. Schwarz]Did you see those mushrooms there

I'd like to show to you

Did you smell them in the air

I'd like to go with you

It's just a matter of expression how

You achieve your aim

How you get paid by her reaction

Try it once more What you see is what you get - Blue Smiley's plan

Don't care about who's in that bed - Blue Smiley's plan

Seeing is believing, babe - Blue Smiley's plan

Don't care about who's in that bed - Blue Smiley's plan He's in touch just with some girl

Don't know weach other well

Try to tell her everything

She won't believe you now

It's just a matter of expression how

You achieve your aim

How you get paid by her reaction

Try it once more
