

# The New Workout Plan (remix)

## Kanye West

[Intro - Kanye West]

You just popped in the Kanye West  
Get right for the summer workout tape  
And ladies if you follow these instructions exactly  
you might bear to pull you a rapper, a NBA player  
Man, at least a dude wit' a car  
So first of all we gon' work on the stomach  
Nobody wants a little tight ass!

[Verse 1 - Kanye West]

1 and 2 and 3 and 4 and get them sit ups right and  
Tuck your tummy tight and do your crunches like this  
Give head, stop breathe, get up, check your weave  
Don't drop the blunt and disrespect the weed  
Pick up your son and don't disrespect your seed  
It's a party tonight and ooh she's so excited  
Tell me who's invited: you, your friends and my dick  
What's scary to me is Henny makes girls look like Halle Berry to me  
So excuse me miss, I forgot your name  
Thank you, God bless you, good night I came..  
I came...  
I came..

[Chorus - Kanye West]

It's been a week without me  
and she feel weak without me  
She wanna talk it out but  
Ain't nothin' to talk about  
'Lest, she talkin' about freakin' out  
then maybe we can work it out  
Work it out (Come on) [4x]  
Work it out now  
Maybe we can work it out (Come on, come on)

[Verse 2 - Kanye West]

Oh girl your silhouette make me wanna light a cigarette  
My name Kanye from the Jigga set Twista said get it wet  
Ooh girl your breath is HARSH

Cover your mouth up like you got SARS

[LiL Jon]
