

Love at First Sight (Kid CrÃ·me mix)

Kylie Minogue

Thought that I was going crazy
Just having one those days yeah
Didn't know what to do
Then there was you And everything went from wrong to right
And the stars came out and filled up the sky
The music you were playing really blew my mind
It was love at first sight 'cause baby when I heard you
For the first time I knew
We were meant to be as one Was tired of running out of luck
Thinking 'bout giving up yeah
Didn't know what to do
Then there was you And everything went from wrong to right
And the stars came out and filled up the sky
The music you were playing really blew my mind
It was love at first sight 'cause baby when I heard you
For the first time
I knew we were meant to be as one And everything went from wrong to right
And the stars came out and filled up the sky
The music you were playing really blew my mind
It was love at first sight
