Let Me Be

Britney Spears

You try to read me

You try to figure out

You try to breathe me

But you can't blow me out

You try to feel me

But I'm so out of touch

I won't be falling

You won't have to pick me up

Sorry if I sound confused

I don't feel the way you do

But I won't turn around

But I won't turn aroundYou think thatI might back down

But I won't

Think that I might have doubts

But I don't

No insecurities, won't you just

Let me, let me be?

Think that you know me now

But you don't

Think that I, I can't stand on my own

Ain't my philosophy

(Aye)

Won't you just

Let me, let me be?Trust in my instincts

Trust that I know what's right

These are the reasons

That keep you up at night

(At night)

Tell me go slow

This is my flow

'Cause you don't know

Know what I know

Let me tell you how it feels

Baby it's time that

You see me for real

(Mmm)

Sorry if I sound confused

(Mmm)

I don't feel the way you do

But I won't turn around

(Won't turn around)

But I won't turn aroundThink that I might back down

But I won't

Think that I might have doubts

But I don't

No insecurities, won't you just

Let me, let me be?

Think that you know me now

But you don't

Think that I, I can't stand on my own

Ain't my philosophy

Won't you just

Let me, let me be?Trust that I know, this is my show

Letting you know, gotta go the way I go

Trust that I know, this is my show

Letting you know, gotta go the way I goYou think that I might back down

But I won't

Think that I might have doubts

But I don't

No insecurities, won't you just

Let me, let me be?

Think that

You know me now, but you don't

Think that I, I can't stand on my own

Ain't my philosophy

(It ain't my philosophy)

Won't you just

Let me, let me be?Think that I might back down

But I won't

Think that I might have doubts

But I don't

No insecurities

(No insecurities)

Won't you just

Let me, let me be?

Think that you want me now

But you don't

Think that I, I can't stand on my own

(Yea I can't stand on my own)

Ain't my philosophy

Won't you just

Let me, let me be?
