90s Child

Sweet California

y comenta.
I remember I was rockin' them Jordan's Like it was just yesterday
Headphones buzzin' loud from my walkman
Blink 182 on replay
Never ever had to worry 'bout a selfie
'Cuz my phone only made calls
Even though it was the size of a small tree
In the 90's that was real coolWe were rocking it back in the day
Lookin' back on the good memories
and I know that they won't go away
They'sll never go away when it was like.Everyday was a holiday
Playing playground games
When I was a 90's child
It was like jumping ropes
Hitting all those hoops
Yeah we had it all
When I was a 90's childRight now it's pretty fly for a Wifi
But for us it was just fresh air
Ten hours trynna wait for the dial up
They called it the InternetWe were rocking back in the day
Lookin' back on the good memories
And I know that they won't go away
They'll never go away when it was like.Everyday was a holiday
Playing playground games
When I was a 90's child
It was like jumping ropes
Hitting all those hoops
Yeah we had it all
When I was a 90's childOohh, ooh, ooh
When I was a 90's child.
Oohh, yeah, ooh, ouuuh, oohh
When I was a 90's child.Everyday was a holiday
Playing playground games
Jumping ropes
Hitting all those hoops
Yeah we had it all
When I was a 90's childEveryday was a holiday
Playing playground games
When I was a 90's child

It was like jumping ropes
Hitting all those hoops
Yeah we had it all
When I was a 90's child
Oooh, Ooh, Ooh
When I was a 90's child.
