

Saints An' Sinners

Whitesnake

Get ready for Judgment day
An' the final curtain call,
Don't lie when you testify
'Cause the good Lord know you're all Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves When Moses stood on the Red Sea shore
Laying the Law on the line,
He said don't come knocking
On the Pearly Gates
If all you did was have a real good time Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves For what we are about to receive
May the Lord make us truly thankful. Saints an' sinners I stand guilty of a thousand crimes,
An' I suffer temptation still,
Show me a man who won't give it to his woman
An' I'll show you somebody who will Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves For what we are about to receive
May the Lord make us truly thankful Saints an' sinners,
Saints an' sinners, priests an' thieves, Get ready for Judgment day
An' the final curtain call,
Don't lie when you testify
'cause the Good Lord know you're all Saints an' sinners, priests an' thieves,
Saints an' sinners, priests an' thieves For what we are about to receive
May the Lord make us truly thankful Saints an' sinners, priests an' thieves Saints an' sinners
