Crawling

Danielle Brisebois

On my knees I'm crawling once againI'm wild, I'm free, we're young
Why don't you come with me
through the fields, running, I fall
Would you come back for meCalling
Baby - we almost made it
Falling
On my knees I'm crawling once againYou're high, my hands they reach
Won't you come down to me
Your eyes, they see, I'm weak
So Come on over and lift me outta hereCalling
Baby - we almost made it
Falling
On my knees I'm crawling once again
On my knees I'm crawling once again
On my knees I'm crawling once againRide 'em high
