I'm Not a Patriot But...

McCarthy

Far away in Central America
Young men and women fight to make their country free
To kick out a foreign army
The enemies of freedom
What will you say when someone asks you
"Whose side are you on?"
In your fight, sisters and brothers far away
I'm on your sideBut not far away
Young men and women fight to make their country free
To kick out a foreign army
The enemies of freedom
What will you say when someone asks you
"Whose side are you on?"
In your fight, sisters and brothers not far away
I'm not on your side
Differences?
Don't bother me with differences
Just let me think of it
I'm not a patriot, but
It's British boys you're gunning down
It's our good boys you kill
I'm not a patriot, but
I won't turn against my landThere's a great difference between liberators and those who only kill
You are terrorists and they are freedom fighters
You are murderers and they are revolutionaries
In your fight, sisters and brothers not far away
I'm not on your side
Differences?
Don't bother me with differences
Just let me think of it
I'm not a patriot, but
It's British boys you're blowing up
It's our good boys you kill
I'm not a patriot, but
I won't turn against my land, no, no
I'm not a patriot, but
I won't turn against my land[I want you to repeat after me:
I am (I am) a revolutionary]
