I Need A Forest Fire

James Blake

(Another shade, another shadow)To burn it like cedar
I request another dream
I need a forest fire
To burn it like cedar
I request another dream
I need a forest fireI'm saved by nature
But it always forgets what I need
I hope you'll stop me before I build a wall around me
We need a forest fireYou're thicker than you think
You know that money bought your name
Caution, swelling, can I repay you with some blame?To burn it like cedar
I request another dream
I need a forest fire
To burn it like cedar
I request another dream
I need a forest fire
To burn it like cedar
I request another dream
I need a forest fireStop
Stop before I build a wall around me
