

# Swangin in the Rain

Paul Wall

Swangin' in the rain  
(So much love between us)  
Swang on!  
(So much love between us)I could write a book on how to work the wheel  
Candy watermelon with the bumper grill  
It's floodin' outside and I'm the wettest steel  
Windows roll up, cold cup and some kill  
Let me explain the way it feel to ride on 84s  
A different level of respect amongst yo peers and foes  
Anotha victim for the streets if you ain't on yo toes  
My took palms might leave you, betta watch my toes  
Rain comin' down while I'm comin' down  
Ears turn around when 'em swangers turn around  
Shout out to my OG slab riders  
Big mick, sport black, balley all my patnas  
Swang around the puddle, drankin' muddy as the puddle  
Softer than a puddle, leather proferated (?)  
This for all the hustlers out there gettin' it in the rain time  
So turn the music up and go swang  
Swangin' in the rain  
Swang on!  
Swangin' in the rain  
(So much love between us)Rain drops on my window  
Elbows poking out past the fender  
Turn sharper than a No. 2 pencil  
The way I avoid hitting curbs is monumental  
Slow pace drankin' on my last days  
Ridin' one deep cause my ace caught a case  
Somethin' on my mind, so I'm turnin' up the bass  
On my zone, I'm swangin' with finnesse and grace  
Forecast muddy, atmosphere cloudy  
Growin' up while the rain pourin' up around me  
Shout out my boys Big D up in the county  
Pop a trunk on a cop, Paul Wall where they found me  
Rain drops on my panoramic roof  
Check the red light cameras if you want the proof  
Candy apple ova silver, I'm swangin'  
To turn a lane turnin' heads every time I swang in the rain  
Swangin' in the rain

Swangin' in the rain  
Swangin' in the rain  
Swang on!  
Swangin' in the rain  
(So much love between us)Swangin' in the rain  
(So much love between us)  
Swang on!
