Toxic

District 78

Baby cant you see
Im coming
A guy like you should know a woman
Its dangerous
Falling
Theres no escape
I cant wait
I need a hand
Baby give me it
Im dangerous
Im running
Too high cant come down
Losing my head spinning round and round
Can you feel me nowWith the taste of her lips Im on a ride
Your toxic Im slipping under
With the taste of a poison paradise
Im addicted to you and you know that youre toxic
Dont you know that youre toxicAnd I love what you do
Its getting late
To give you up
I take a sip
From the devils cup
Its already taken over me
Too high cant come down
Its in the air and its all around
Can you feel me nowWith the taste of your lips Im on a ride
Youre toxic Im slipping under
With the taste of your poison paradise
Im addicted to you and you know that youre toxic
Dont you know that youre toxicIntoxicated now with your lover more
I think Im ready now
I think Im ready now
Intoxicated now with your lover more
I think Im ready now
I think Im ready now
Youre toxic Im slipping underWith the taste of your poison paradise
Im addicted to you and you know that youre toxic
Dont you know that youre toxic
