Burning Fight

Inside Out

I'll reach out my hand and you'll turn the other way.
I'm only trying to extend myself, to communicate.
I try and I try and I try, there's no response from you.
So now I refuse to waste my, waste my time, to waste my fucking time on you.I refuse to let myself down by falsely putting judgement on you.
To make myself look higher, higher - only to be knocked down by the truth.
I will never choose a different path; I will never turn away from you.
Your attitude is an example of this, which has become for me a Burning Fight.
Not to change your opinion of me; but to try to help you see what's right.And I will never choose a different path; ya I will never turn away from you.
I will never choose a different path; and I will never fucking be like you!
Ya, it's my Burning Fight, my Burning Fight.
This is my Burning Fight, my Burning Fight.
