Do You Know Whatâ€™s Real?

Circulatory System

Days pass you by
Weeks, nothing tries to break
Through the fog and say helloBut here we come today
You don't know what's real
Any more than us
You don't know what's real
Any moreYou okay?
I thought we'd established this
I thought we'd established that
I thought we'd established our desires
If we come again tonight
You don't know what's real
Any more than us
You don't know
