Five Minutes

BCT

Yes
You have just entered the year 2000
And they've just arrived
Ready to take us outer space
To another planet
Where there's only one club
And one disco, ooh
And they wanna show us how
They boogie
Got a strange call from a girl in the midst of the night
She said, you better call your man 'cause he sleepin' right here tonight
So I put on my coat and my hat and then put on my shoes, yeah yeah
I said, "Bitch don't you move 'cause I'll be seeing you soon"
It only took me
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it and I told his tail to scram
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it and I told his tail to scram
Saw a few scratches on my car just the other day, yeah yeah yeah
Neighbor around my way, said she saw you drivin' away
So I put two together and I found myself ready to go, whoa whoa
Before she even knew it, I was comin' down the road
It only took me
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
Be a hoe, I'm kickin' you up out the door
I hope you know like Coolio, you gotta go
Don't even think I'm gonna let you hang around
Got your drawz down lookin' stupid like a clown

Be a hoe, I'm kickin' you up out the door
I hope you know like Coolio, you gotta go
Don't even think I'm gonna let you hang around
Got your drawz down lookin' stupid like a clown
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
Freaky freaky, yes
It's the year 2000
And they will be back
To take us to outer space
To their planet
Where there's only one club
Where there's only one disco
And you know what they wanna show us
Ooh, you know what they wanna show us
How they boogie
(Yo, yo, yo)
Yo, don't know what they told you, but they done told you wrong
Bet I go back and tell 'em again and make sure you here it all
Don't come up in my Mellinium talkin' 'bout girl, this my song
If you don't know how to bounce to this then try to play it off
It's just like a movie, everybody wanna see
In the 2 G, how she dress like me
They say, "Who's she?", She's fly as can be
Got a groupie, off a hoochie
I got lucci, mad cheese in the bank
And my crew be, straight flossin' wit' me
Even hootie, wanna blow like me
Heard he wanna be a Lil' mo like me, what
Check it out now
Break it down now
