

Five Minutes

BCT

Yes

You have just entered the year 2000

And they've just arrived

Ready to take us outer space

To another planet

Where there's only one club

And one disco, ooh

And they wanna show us how

They boogie

Got a strange call from a girl in the midst of the night

She said, you better call your man 'cause he sleepin' right here tonight

So I put on my coat and my hat and then put on my shoes, yeah yeah

I said, "Bitch don't you move 'cause I'll be seeing you soon"

It only took me

In five minutes, I was knockin' at the door

In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man

Yes I did it and I told his tail to scram

In five minutes, I was knockin' at the door

In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man

Yes I did it and I told his tail to scram

Saw a few scratches on my car just the other day, yeah yeah yeah

Neighbor around my way, said she saw you drivin' away

So I put two together and I found myself ready to go, whoa whoa

Before she even knew it, I was comin' down the road

It only took me

In five minutes, I was knockin' at the door

In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man

Yes I did it, and I told his tail to scram

In five minutes, I was knockin' at the door

In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man

Yes I did it, and I told his tail to scram

Be a hoe, I'm kickin' you up out the door

I hope you know like Coolio, you gotta go

Don't even think I'm gonna let you hang around

Got your drawz down lookin' stupid like a clown

Be a hoe, I'm kickin' you up out the door
I hope you know like Coolio, you gotta go
Don't even think I'm gonna let you hang around
Got your drawz down lookin' stupid like a clown
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram
Freaky freaky, yes
It's the year 2000
And they will be back
To take us to outer space
To their planet
Where there's only one club
Where there's only one disco
And you know what they wanna show us
Ooh, you know what they wanna show us
How they boogie
(Yo, yo, yo)

Yo, don't know what they told you, but they done told you wrong
Bet I go back and tell 'em again and make sure you here it all
Don't come up in my Mellinium talkin' 'bout girl, this my song
If you don't know how to bounce to this then try to play it off
It's just like a movie, everybody wanna see
In the 2 G, how she dress like me
They say, "Who's she?", She's fly as can be
Got a groupie, off a hoochie
I got lucci, mad cheese in the bank
And my crew be, straight flossin' wit' me
Even hootie, wanna blow like me
Heard he wanna be a Lil' mo like me, what
Check it out now
Break it down now
