Got It All Clear

Workshy

Everybody wants to be your friend,
when everything is going right.
And you feel that there will be no end,
if your star is on the rise.You know ... is tight,
and the ride is rough.
Don't you know that you might just be,
suprisable, ...Got it clear in your mind,
your eye on the game,
the game in your sighs.
Got it clear in your mind,
your eye on the game,
don't you know that's the way to survive
Everybody's got a history,
that they can't help but bring to you.
That's the way it doesn't have to be,
keeping in mind what's best for you.You know in your heart it hurts,
when you're being used.
Don't you know you've the right to ...
...what's staring at you.
(you want it back,
keep your eye on it),
you got your back,
don't rely on it -- don't reside on it)
