

My Time

Eolune

Go hard today, can't worry the past
'Cause that was yesterday
I'ma put it on the line 'cause it's my time
I gotta stay on my grind 'cause it's my time, my time, my time
If you're with me let me hear you say
 My, my, my, my
If you're with me let me hear you say
 My, my, my, my, it's my time
 Guess what time it is, my, my, my time
You can check your iPhone, better say it's our time
I don't even need a watch, I don't even see a clock
 Soon as a I walk in it feel like me o'clock
 Give me a clock, every time I check
Singers don't measure up and try and blame the Pyrex
 I'ma do it bigger than a 5-ex
 Can't ride with an L so I don't drive Lex
 Games so bickery, so full of trickery
 Nursery, rhyming, hickory, dickory
 Blowing that side, the hood call it pickory
 Biggie, Puffy, Busta victory
 Go hard today, can't worry the past
 'Cause that was yesterday
 I'ma put it on the line 'cause it's my time
I gotta stay on my grind 'cause it's my time, my time, my time
If you're with me let me hear you say
 My, my, my, my
If you're with me let me hear you say
 My, my, my, my, it's my time
 My time is more like fly time
 Don't call to get dressed, call it in a sky time
 If you ain't a pilot you probably couldn't style it
Unless you was a stewardess, you wonder what to do with this
 First I take the time out then I put the time in
 Money ain't everything it's more about the timing
 So I got the water mark, flawless diamonds

 In other words that's called perfect timing
 I feel like a favor, I feel like a savior
 They clock in my neck, I feel like I'm flavor

I go so hard, Loso God
Damn street, fi-di-di-di, damn
Go hard today, can't worry the past
'Cause that was yesterday
I'ma put it on the line 'cause it's my time
I gotta stay on my grind 'cause it's my time, my time, my time
If you're with me let me hear you say
My, my, my, my
If you're with me let me hear you say
My, my, my, my, it's my time
Oh, now I know mine
It's been a few years now I've seen 'bout time
You know I've got committed with the system up in the zone
Sign the dotted line now it's on
So y'all better check your wrist piece
Why? 'Cause it's time to make history
Just hop in here, bullet's history
Howda, howda, howda hell you gonna evict me?
You know I'm here stay, never cocky now
With bottles we poppin' now, no telling where we stopping now
And I represent the chick A G O
On the track with F A B O, you know we
Go hard today, can't worry the past
'Cause that was yesterday
I'ma put it on the line 'cause it's my time
I gotta stay on my grind 'cause it's my time, my time, my time
If you're with me let me hear you say
My, my, my, my
If you're with me let me hear you say
My, my, my, my, it's my time
