

# On the Land Blues

**Damien Jurado**

Tried my hand as a brother  
Failed as a man and a friend  
I know who i was then  
I know who i am now  
Land it rolls into water  
Fools they go and follow after  
Chasing the light like a sun  
Burned out before they could shine  
Lord take the weight i won't need it  
Salvations pain glory be  
Follow me down on this road  
One more hand to let go  
Kindly spoke cried on your shoulder  
Better a ghost than a living man  
You see through i suppose  
Visions of us on the land  
Far out to where we were then  
Gathered and stolen by storm  
Waiting here till you return
