

# Spending Time

## Stellar Kart

Just so happens my schedule is empty  
But still theres no room for you  
The time is come and gone  
Things have come along  
That take me away from you Dont take this the wrong way, youre so perfect  
And everything tells me youre so worth it Spending time with you  
Not a moment goes by that youre not by my side  
Spending time with you  
Youre all that I want why is it so hard to do When we first met I remember I'd do anything for you  
But as the years go by I feel my attention slide  
And Im pulling away from you Dont take this the wrong way, youre so perfect  
And everything tells me youre so worth it Spending time with you  
Not a moment goes by that youre not by my side  
Spending time with you  
Youre all that I want why is it so hard to do Spending time with you  
Not a moment goes by that youre not by my side  
Spending time with you  
Youre all that I want why is it so hard to do Spending time with you  
Not a moment goes by that youre not by my side  
Spending time with you  
Youre all that I want why is it so hard to do  
Spending time with you  
Youre all that I want why is it so hard to do
