

How Do I Live Without You

[**James Galway, Richard Cottle, Laurence Cottle, Ian**](#)

How do I get through the night without you

If I had to live without you

What kinda life would that be

Oh I need you in my arms, need you to hold

You are my world, my heart, my soulIf you ever leave

Baby you would take away

Everything good in my life

And tell me nowHow do I live without you?

I want to know

How do I breathe without you?

If you ever go

How do I ever, ever survive

How do I, how do I, oh how do I live

Without you

There would be no sun in my sky

There would be no love in my life

There'd be no world left for me

And I, baby, I don't know what I would do

I'd be lost if I lost youIf you ever leave

Baby you would take away

Everything real in my life

And tell meHow do I live without you?

I want to know

How do I breathe without you?

If you ever go

How do I ever, ever survive

How do I, how do I, oh how do I live

Please tell me baby how do I go on

If you ever leave

Baby you would take away everything

Need you with me

Baby don't you know that you are

Everything good in my lifeAnd tell me now

How do I live without you

I want to know

How do I breathe without you

If you ever go

How do I ever, ever survive

How do I, how do I, oh how do I live

How do I live without you?
How do I live without you, baby?
How do I live without you?
