We Were Wrong

God Lives Underwater

Breathe
Turning blue and I can't breathe
In the water underneath
And we're way too deep
To save ourselvesNow that you don't know me
And I've been away too long
Have you also been growing?
Seen how we were wrong?Deep
My misery is now complete
I've been falling under feet
And I'm way too deep
To save myselfNow that you don't know me
And I've been away too long
Have you also been growing?
Seen how we were wrong?
