Make Me Moo

The Residents

Their eyes are big and sweet
When they eat, I don't know why
Why can't I be a cow, anyhow
Cows never cryMy heart was broken, broken
Cows are so open, open
Broken, broken, broken, it was broken
Open, open, open, cows are openEvery heart that's been broken
Is a heart with a hole
Every heart that's still open
Is the seed of a soulEvery heart that's been broken
Is a heart with a hole
Every heart that's still open
Is the seed of a soulMake me moo, make me moo
Make me moo, make me moo
Who can truly make me moo?
Make me moo, make me mooMake me moo, make me moo
Make me moo, make me moo
Have a heart and make me moo
Make me moo, make me moo
