

# Two Worlds (Phill Collins)

Phil Collins

Put your faith in what you most believe in  
Two worlds, one family  
Trust your heart  
Let fate decide

To guide these lives we see A paradise untouched by man  
Within this world's blessed with love  
A simple life, they live in peace Softly tread the sand below your feet now  
Two worlds, one family  
Trust your heart  
Let fate decide

To guide these lives we see Beneath the shelter of the trees  
Only love can enter here  
A simple life, they live in peace Raise your head up  
Lift high the load  
Take strength from those that need you  
Build high the walls  
Build strong the beams  
A new life is waiting

But danger's no stranger here No words describe a mother's tears  
No words can heal a broken heart  
A dream is gone, but where there's hope Somewhere something is calling for you  
Two worlds, one family  
Trust your heart  
Let fate decide  
To guide these lives we see
