Brians Magic Car

Television Personalities

Good morning boys and girls
We're all going for a ride in Brian's Magic Car
We'll soon be on our way and drive two thousand miles an hour
Have a lovely dayWould you like to ride Brian's magic car
Would you like to try Brian's magic car
Flying through the sky in Brian's magic car
In and out the clouds in Brian's magic carYour best friends can come too
Let's hope the sky is blueFun for all the family in Brian's magic carLots to see and do in Brian's Magic car
There's nothing quite the same
I hope it doesn't rainYour best friends can come too
Let's hope the sky is blueIt's really good in Brian's magic car!
Can we come again next week Brian?Your best friends can come too
Let's hope the sky is blueWell boys and girls
I hope you have all enjoyed your ride in Brian's magic car
Come again next week, fun fun fun all the way
Lots to see and do in Brian's Magic car
