

# I'll Be There for You (From "Friends")

## The Rembrandts

So no one told you life was gonna be this way  
Your jobs a joke, you're broke, your love life's D.O.A  
It's like you're always stuck in second gear  
When it hasn't been your day, your week, your month, or even your year, but I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
( 'Cause you're there for me too) You say you never know what's gonna come your way  
Now you're lost just like a needle in the hay  
And there's no room for how you really feel  
Until somebody comes along and takes you back  
To where it's all real and I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
( 'Cause you're there for me too) If I could make your worries disappear  
To help you realize  
The only thing you have to fear  
Is in your mind It's like you're always stuck in second gear  
When it hasn't been your day, your week, your month, or even your year but I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before) [repeat verse x3] I'll be there for you  
( 'Cause you're there for me too)
