Everybody Wants You

Billy Squier

You see 'em comin' At you every night

Strung on pretension

They fall for you at first sightYou know their business

You think it's a bore

They make you restless

It's nothin' you ain't seen beforeGet around town, spend your time on the run

You never let down, say you do it for fun

You never miss a play, though you make quite a few

You give it all away, everybody wants youYou crave attention

You can never say, "No"

Throw your affections

Anyway the wind blows You always make it

You're on top of the scene

You sell the copy

Like the cover of a magazinePuttin' on the eyes 'til there's nobody else

You never realize what you do to yourself

The things that they see make the daily reviews

You'll never get free, everybody wants youEverybody knows you

Everybody snows you

Everybody needs you

Leads you, bleeds youNights of confusion

And impossible dreams

Days at the mirror

I'm patchin' up around the seams You got your glory

You paid for it all

You take your pension

In loneliness and alcoholSay goodbye to conventional ways

You can't escape the hours, you lose track of the days

The more you understand, seems the more like you do

You never get away, everybody wants youEverybody wants you

Everybody wants you
