Finest Role

The Samples

You had a job as a dancing waitress
That's what you said to me
Town to town like a falling angel
For every lock you have a keyFall in love like a foreign movie
Even come with your own lines
You're better off without directors
'Cause you're doing just fineYou could be a movie actor
You act like nothing's wrong
I wish this time would just go faster
I've been here too longHave you been lost? Have you been found
By something in the soul?
You're better off that no one knows
That this is your finest roleNow it's dark and just too late
To say you're by my side
No more chances left to take
You can fake another cryYou could be a movie actor
You act like nothing's wrong
I wish this script would just go faster
I've been here too longHave you been lost? Have you been found
By something in the soul?
You're better off that no one knows
That this is your finest roleYou could be a movie actor
You act like nothing's wrong
I wish this time would just go faster
'Cause I've been hereYou could be a movie actor
You act like nothing's wrong
You could be a movie actor
