

# On a Good Day (16 Bit Lolitas Mix)

## Above & Beyond

Little bit lost and  
A little bit lonely  
Little bit cold here  
A little bit feared But I hold on  
And I  
Feel strong  
And I  
Know that I can Gettin' used to it  
Lit the fuse to it  
Like to know who I am Been talking to myself forever, yeah  
And how I wish I knew me better, yeah  
Still sitting on a shelf and never  
Never seen the sun shine brighter  
And it feels like me  
On a good day And it feels like me  
On a good day Been talking to myself forever, yeah  
And how I wish I knew me better, yeah  
Still sitting on a shelf and never  
Never seen the sun shine brighter  
And it feels like me  
On a good day On a good day  
On a good day  
And it feels like me  
On a good day
