Armageddons Cominâ€™
But I Donâ€™t Know When
The Cathedrals And Temples Will Shake
And Be Reborn Again
But I Just Sit And Watch The Fires Glow
And I Can Take You If You Wanna Go

In The Dream Fields
In An Open Sky
Can You Hear Me
Through An Enldless Night
Can You Hear Me
Cause Iâ€™m Still
So Far From Home
So Far From Home

The Noise And The Deafaning Silence
Still Hurts My Head
And I Remember How It Changed You
And The Things You Said
You Said
I So Tired Of This Desperation
Been Runninâ€™ Down This Road
Since Creation

In The Dream Fields
In An Open Sky
Can You Hear Me
Through A Moonless Night
Can You Hear Me
Cause Iâ€™m Still
So Far From Home
So Far From Home
So Far From Home

So Far From Home

In An Open Sky
And The Earth Below
Dreams Stay With You
Like A River Flows
Down A Mountainside
In The Pouring Rain
Dreams Stay With You
Until Forever
In An Open Sky
And The Earth Below
Dreams Stay With You
Like A River Flows
Down A Mountainside
In The Pouring Rain
Dreams Stay With You
Until Forever
