

Agent Orange

[Tori Amos](#)

Ah, ah, ah, umm
Ah, ah, ah, ummGotta tell you, what I heard
From Agent Orange
Mr. Sun Tan
Mr. Happy Man
Mr. I know the girls on all the world toursMr. Agent, yes
He's my favorite
And they don't understand
He's got palm oil pants
Yes, he's down and there and everywhereHe's getting in too deep in
Underwater City
Where she swims and swims
