

Lenny Kravitz

Electric Six

Ever since I met you
You were someone I knew
Looking for a little something
Something to do You wanted one stop shopping
The clothes will fit ya
You wanna look pretty
When they're taking your picture Now you want your life to move
A little bit faster
A little bit of death
A little bit of disaster Well I was doing this
Before you were born
The glove already fit you
Before it was worn
And girl, the choice is yours
I can dress you up as the devil
Or I can dress you up as
One of the devil's whores Oh-oh
Oh-oh-oh-oh
Oh-oh
Oh-oh-oh-oh Oh-oh
Oh-oh-oh-oh
Oh-oh
Oh-oh-oh-oh Calling all girls of the opposite sex
I know you just can't wait for what happens next
I got a five-step plan and a brand new facility
The perfect habitat for testing sex ability
All you need's a credit card, you're good to go
Roll a little footage
And film a little video
I wanna see who's living between your legs
You just can't make an omelette
Without breaking some eggs
And girl, what do you say?
You can dress me up like JFK
Hide in the grassy knoll
And blow me away! Oh-oh
Oh-oh-oh-oh
Oh-oh
Oh-oh-oh-oh Oh-oh

Oh-oh-oh-oh

Oh-oh

Oh-oh-oh-oh

Solo! I have some money here for you

So reach into me and grab it And I have never understood

Why anybody likes Lenny Kravitz I see no reason for this to continue

I don't have anything else to put in you

Now go back home, girl, and do whatever it is

That you do And girl I hate to break you the news

When you win here you really lose

And you've been such a pleasure to use Oh-oh

Oh-oh-oh-oh

Oh-oh

Oh-oh-oh-oh Oh-oh

Oh-oh-oh-oh

Oh-oh

Oh-oh-oh-oh
