

# After The Gold Rush

Michael Hedges

Well, I dreamed I saw the knights in armor coming  
Saying something about a queen  
There were peasants singing and drummers drumming  
And the archer split the treeThere was a fanfare blowing to the sun  
That was floating on the breezeLook at Mother Nature on the run  
In the twentieth century  
Look at Mother Nature on the run  
In the twentieth centuryI was lying in a burned out basement  
With the full moon in my eyes  
I was hoping for replacement  
When the sun burst through the skyThere was a band playing in my head  
And I felt like I could cryI was thinking about what a friend had said  
I was hoping it was a lie  
Thinking about what a friend had said  
I was hoping it was a lieI dreamed I saw the silver space ships flying  
In the yellow haze of the sun  
There were children crying and colors flying  
All around the chosen onesAll in a dream, all in a dream  
The loading had begunFlying Mother Nature silver seed  
To a new home in the sun  
Flying Mother Nature silver seed  
To a new home
