Hooked On You

Aranda

Said Iâ€™m looking for something
Something out of the old
I wanna give you everything
Iâ€™d give you all my gold
I wanna be your daddy
Iâ€™ll be youâ€™re mama too
Iâ€™m hooked on everything
Everything you do

Hooked on you and all you are is another little mama just trying to front
One thing I got to say
I got two wheelbarrows and a bale of hay
Said you wanna mess with me sugar
You must be digging in my brain
You wanna call me baby
Youâ€™re driving me insane
Donâ€™t call me baby
Quit playing with my mind sugar
Cause when you call me baby
You know I get hooked girl every time

Hooked on you and all you are is another little mama just trying to front
One thing I got to say
I got two wheelbarrows and a bale of hay
Said you wanna mess with me sugar
You must be digging in my brain
You wanna call me baby
Youâ€™re driving me insane
Donâ€™t call me baby
Quit playing with my mind sugar
Cause when you call me baby
You know I get hooked girl every time

I got the lead, got the lead
I got the bed
Crazy little thoughts going through my head
You wanna mess with me sugar
Iâ€™m digging in your brain
I wanna give you everything

Youâ€™re driving me insane
I wanna be your daddy
Iâ€™ll be your mama too
Iâ€™m hooked on everything
Everything you do yeah baby

Hooked on you and all you are is another little mama just trying to front
One thing I got to say
I got two wheelbarrows and a bale of hay
Said you wanna mess with me sugar
You must be digging in my brain
You wanna call me baby
Youâ€™re driving me insane
Donâ€™t call me baby
Quit playing with my mind sugar
Cause when you call me baby
You know I get hooked girl every time

I got the lead, got the lead
I got the bed
Got the crazy little thoughts
Going through my head
You got me going crazy, youâ€™re playing with my mind
